Maybe even better than free.

You can give this download link to your friends by mail or instant messenger. Our service is completely free for everyone. Keep your files private, or send your download links only to friends or family. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is beingtransferred between your computer or phone and our servers, then from our servers to your friends device. Using file, you can circumvent those limits withoutpaying to upgrade your team chat service. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Any file in anyformat can be uploaded and downloaded for free. Just upload the file you want to share with your friends and we send you a download link to your file. It isalso allowed to link to the download page from websites and communities. You can upload any type of file (movies, music, documents, images, zip files andmore). filehosting provides an easy possibility for you to send large files to your friends. Unfortunately, we can't make that part free. Why pay storage fees for afile that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Fileis free to use with no gotchas and no hidden fees. There are no restrictions on the number of times a file can be downloaded. The cost of that data transfer iscovered by your internet service or the data plan on your phone. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventuallycosting you money in data storage fees. You don't need any special software installed to be able to download your files. This is easy, fast and reliablefilehosting! You don't need any kind of premium-accounts. Simply upload your file and share the link. Files can be downloaded from any computer from ourhigh speed servers. So try our free and simple filehosting service now. You decide who you want to share your files with. No account or credit card is requiredto get started. If only we could, we surely would! On the other hand, using file can actually save you money. We have no file size limit. Alternatively you canchoose to share your download links on blogs, forums and social networking sites.
